Julien CATHERINE

has successfully completed a free online offering of

Your Body in the World: Adapting to Your Next Big Adventure

with **Statement with Distinction.**

In order to receive a Statement of Accomplishment, participants were required to score 70 or more of the 100 points available for this online class. A score of 70 or more points indicates that the participant now has a strong understanding of how the human body responds to the environmental stresses of the world.
